

# Specialized Seminars

2023-24

Department of  
Chemistry

Student of the PhD Program in  
Chemistry:

*This specialized seminar is part of the activities organised for PhD students. Attendance is recommended. Students must attend at least 30% of the seminars organized during the academic year.*

**14<sup>th</sup> of June 2024 at 12.00 h**

**Seminar room “Josep Vendrell i Roca” (C0/-140.1)**

**Faculty of Sciences, UAB**

**Dr. Sergio Tosoni**

**Department of Materials Science  
University of Milano-Bicocca**

***“Structure,  
properties, and  
functionalization of  
surfaces from the  
perspective of DFT  
calculations”***

**UAB**  
Universitat Autònoma  
de Barcelona
