

Dear customer,

According to the Regulation (EU) 2016/679 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, we inform you that, your data are processed for the following purposes:

- Provision of services.
- Control of people who access the service.
- Diffusion of activities.
- Realization of seminars, technical training.
- Report incidents and information regarding the service.
- Submission of quotes, invoicing and internal charges for requested services.
- Surveys of satisfaction, suggestions or complaints.
- Planning meetings

The processing of your data will not lead to any automated decisions being made, nor to profiling for predictive purposes based on personal preferences, behaviours or attitudes. [If profiling is the purpose of the processing, you need to explain the circumstances of this.]

You may exercise your rights of access, rectification, erasure, objection, restriction of processing and portability by sending your request to the controller, at this mail address: s.analisi.quimica@uab.es

You can find more detailed information about the processing of your personal data on the next table:
