

# HOW TO CHECK YOUR TIMETABLES

You can find the schedules of different subjects in the following webpage: <http://sia.uab.cat>

You can change the **language** at the top right of the page.

The screenshot shows the "Servicios y trámites en línea" section of the UAB website. At the top, there are links for "ALUMNADO DE GRADO, MÁSTER OFICIALES Y DOCTORADO", "ALUMNADO RESTO DE ESTUDIOS", "PDI", and "PAS". Below this, there are three main sections: "Preinscripción", "Matrícula y expediente", and "Movilidad e intercambio". Each section lists various services with small icons. A red hand icon points to the "Consultas de horarios" link under the "Services" section. On the right, there is an "Alerta" box for the "Matrícula 2021-22" period, which contains text about maintenance periods and service availability.

1. Select the option “Consulta de Horarios” (**Consulting Timetables**) of the Services section.

The screenshot shows the "Calendario y horarios" search interface. It features two search options: "Buscar por plan" and "Buscar por asignatura". A red hand icon points to the "Buscar por asignatura" button. Below these are dropdown menus for "Curso académico\*" (set to "2021/2022") and "Centro\*" (set to "Seleccione uno").

2. There are 2 ways to search them: by study plan or by subject. We recommend the second option.

3. Search the subject by code or name in the subject box, and select the one you are searching for.

The screenshot shows the UAB Calendario y horarios search interface. At the top, there is a logo for the Universitat Autònoma de Barcelona (UAB). Below the logo, there are two search input fields: "Buscar por plan" and "Buscar por asignatura". Underneath these, there is a dropdown menu labeled "Curso académico\*" with the value "2020/2021". Another dropdown menu labeled "Asignaturas\*" shows a list of subjects, with "103101 - Comunicación y Estudios de Género" highlighted in a dark purple box. To the right of the dropdown, there are two buttons: "Limpiar" (Clear) and "Ver Calendario" (Show Calendar).

4. If the subject has more than one teaching group, a screen will appear asking you if you want to search for a determinate group or you want to see all the groups of the subject.

This screenshot shows the same UAB Calendario y horarios interface after selecting the subject. A modal dialog box has appeared, displaying the subject details: "103101 - Comunicación y Estudios de Género". Inside this dialog, there are several dropdown menus: "Centro\*" (set to "105 - Facultad de Ciencias de la Comunicación"), "Plan de estudio\*" (set to "Todos"), and "Periodo académico\*" (set to "Segundo cuatrimestre"). Below these, there is a dropdown menu labeled "Grupo\*" containing several options: "Todos los grupos", "Todos los grupos", "Grupo 1" (which is highlighted with a blue background and has a red hand cursor pointing to it), "Grupo 3", "Grupo 90", and "Grupo 92". At the bottom of the dialog, there are "Limpiar" and "Ver Calendario" buttons.

5. You can add as much subjects as you want.  
6. Once you've finished your selection, click in the “Ver Calendario” button (*show calendar*).
