

**By facilitating debates and conversations allowing students to express themselves in English.**

## **Promoting oral communicative competence in English**

- **Young people studying 1st and 4th year compulsory education (ages 13 and 16, respectively)**
- **At the INS Federica Montseny and INS Bitàcola secondary schools in Barberà del Vallès and Badia del Vallès.**
- **Mornings during school hours (8 a.m. to 2 p.m.). From Monday to Friday. Flexible hours.**
- **Requirement: fluent oral English.**

**In a globally connected society, English has become a universal language. Yet it is very often difficult to facilitate learning of the language in primary and secondary school. Organising conversations and debates in small groups is very often difficult to do in schools, due to a shortage of classroom teachers.**

**The Let's Talk! programme aims to solve this problem by offering UAB students the chance to provide conversational support in the classroom, during class hours, through conversations and debates in small groups.**

**ECTS recognition**

## **How can you participate?**

By facilitating debates and conversations on a variety of topics, allowing students to express themselves in English.

## **Who is it aimed at?**

Young people aged 13 and 16 studying 1st and 4th year compulsory secondary education (ESO).

## **When? Where?**

From Monday to Friday. At least 1 hour a week, choosing different time slots.

At the INS Federica Montseny in Badia del Vallès
