

Specialized Seminars 2023-24

PhD Programme in
Chemistry

Department of Chemistry

This specialized seminar is part of the activities organized for students in the PhD programme in Chemistry. These students are required to attend a minimum of 30% of the seminars held throughout the academic year.

16th of May 2024 at 12.00 m.

Sala de Graus I (room C1/070-1), Faculty of Sciences

Dr. Albert Figuerola

Department of Inorganic & Organic
Chemistry

University of Barcelona

***“Moulding
inorganic
semiconductor
nanocrystals
through solution-
based chemistry”***
